Company profile

Located in famous and beautiful coastal city Qingdao(Tsingtao), Qingdao Hilda-Jingyi Trading Co.,Ltd is a professional food and health products manufacturer and supplier. We have more than 15 years experience in exporting Seaweed, Health food, Organic food, Bean product, Traditional Chinese Herbs, Vegetables, Mushroom, Plants extracts, etc.

1. Our factories:

We have our own seaweed factory producing seaweed laminaria japonica (sea kelp) and wakame. Also we have many joint and cooperative manufacturers with close relations for long time, most of them have passed ISO,HACCP, Halal,Kosher certification,some of them have passed Organic certification or GMP. Every year, 3000-4000MTs of Dried laminaria cut are exported to CIS countries, such as Russia, Ukraine, Belarus, Latvia and Lithuania etc. Favorable price and best quality are both admitted by all customers. Other seaweed are Wakame, Yaki Sushi Nori. Spirulina and chlorella are health algae, which are from the most professional and largest manufacturer in China.

2. Current business and target:

We have very abundant exporting experience in these products: Seaweed, Spirulina, Chlorella, Rosehip, Stevia, Garlic, Ginger, Goji berry,Mushroom, Organic barley grass and wheat grass powder, Bean curd sticks, Milk thistle oil etc. We have total more than 200 employees, we can supply these products all the year-around. Our current amount of export is 5 millions U.S. Dollars per year, and our target is 8-10 millions U.S. Dollars within 3 years.

3. Business idea:

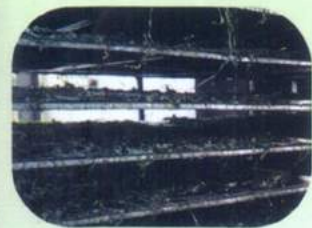

"Health Is Wealth" is the essence of our products quality. We always regard "Professional, Good faith, Mutual benefit" as the main principle in our business cooperation. We are looking forward to the opportunity to become your trusted partner. And you are warmly welcome to visit our any factory to confirm our ability.
